	Empathy	Enthusiasm	Independence	Integrity	Respect

Explain:

Sign: _____

Hello families,

Here is a blank ICIB Award that you may feel free to fill out at home and send back in to your child's teacher if you would like. The ICIB stands for "I see IB", and we use it to recognize any of the IB Attitudes or attributes of the Learner Profile that we observe the students showing. We encourage you to look for these things at home and take the opportunity to recognize your child for working to be the best IB student they can be. If you look in the front of your child's student agenda, you can find definitions and descriptions of each Attitude and Learner Profile trait. Please be sure to fill in the part that explains what you saw or heard from your child.

Thank you for your continued participation in our IB Community!
